

การประกวด Oral Presentation (รอบตัดสิน)  
งานประชุมใหญ่ประจำปี 2567 สมาคมโรคไตแห่งประเทศไทย  
วันที่ 2 – 4 สิงหาคม 2567 ณ โรงแรม เดอะ ซายน์ พัทยา จ.ชลบุรี

วันเสาร์ที่ 3 สิงหาคม 2567 เวลา 15.30 – 17.00 น.

ORAL PRESENTATION 4: KIDNEY REPLACEMENT THERAPY (HD, PD), RISK MANAGEMENT & QUALITY IMPROVEMENT IN KIDNEY CARE

O1

PROTEIN-BOUND UREMIC TOXIN LOWERING EFFECTS OF SEVELAMER IN END-STAGE KIDNEY DISEASE RECEIVING HEMODIALYSIS WITH HYPERPHOSPHATEMIA: A MULTI-CENTER RANDOMIZED CONTROLLED TRIAL – A PRELIMINARY REPORT

- Napas Srifa

*Division of Nephrology, Department of Medicine, Chulalongkorn University, Bangkok, Thailand*

O2

THE COMPARISON BETWEEN INTRAPERITONEAL AND INTRAVENOUS ANTIBIOTIC PROPHYLAXIS AFTER TENCKHOFF CATHETER INSERTION ON CATHETER INSERTION-RELATED INFECTION

- Nanthawan Okas

*Division of Nephrology, Department of Internal Medicine, Maharat Nakhonratchasima Hospital, Nakhonratchasima*

O3

EFFICACY OF CITRATE VERSUS HEPARIN LOCK FOR PREMATURE TEMPORARY CATHETER REMOVAL AND RELATED COMPLICATION PREVENTION IN HEMODIALYSIS PATIENTS WITH NON-TUNNELED CATHETERS: A PROSPECTIVE RANDOMIZED CONTROLLED TRIAL

- Kritsompnop Techawarutama

*Division of Nephrology Department of Medicine Faculty of Medicine Siriraj Hospital*

O4

OPTIMAL LINEZOLID DOSING IN PATIENTS RECEIVING CONTINUOUS VENOVENOUS HEMOFILTRATION

- Weerachai Chaijamorn

*Department of Pharmacy Practice, Faculty of Pharmaceutical Sciences, Chulalongkorn University, Bangkok, Thailand*

O5

BLOOD LEAK DETECTOR FOR PATIENTS IN DIALYSIS UNIT

- Somnuek Domrongkitchaiporn

*Hemodialysis Unit, Paolo Hospital Samutprakarn*

O6

EFFICACY OF EMPIRICAL VORICONAZOLE VERSUS AMPHOTERICIN B PLUS FLUCYTOSINE IN PERITONEAL DIALYSIS PATIENTS WITH FUNGAL PERITONITIS (VAF STUDY) – A RANDOMIZED CONTROLLED TRIAL

- Pongpratch Puapatanakul

*Division of Nephrology, Department of Medicine, Faculty of Medicine, Chulalongkorn University and King Chulalongkorn Memorial Hospital*

O7

INCREMENTAL PERITONEAL DIALYSIS WITH A DAY OFF VS FULL DOSE PERITONEAL DIALYSIS: A PROPENSITY-MATCHED STUDY (PD HOLIDAY)

- Auttapong Pattanapongpaibool

*Division of Nephrology, Department of Internal Medicine, Maharat Nakhon Ratchasima Hospital*

O8

SAFETY AND EFFECT OF SUBCUTANEOUS SEMAGLUTIDE TO INTERDIALYTIC WEIGHT GAIN IN PATIENTS WITH END-STAGE KIDNEY DISEASE RECEIVING HEMODIALYSIS: A RANDOMIZED CROSSOVER STUDY

- Tanisorn Harnsirikarn

*Division of Nephrology, Department of Medicine, Bhumibol Adulyadej Hospital*
